

Hurricane Irma Update

Dear Members,

Let me begin by saying your financial wellbeing and quality of life is the reason we exist. I sincerely hope you are all safe and I want you to know RIFCU is here to help. Our management team is working on projects to help you recover from Hurricane Irma as quickly as possible. These will include special loan programs to help with insurance deductibles, home repairs etc.

Our information technology team has worked tirelessly to restore communications. Currently, all of our locations except for N. Lakeland have power and are fully operational. Our branches and ATM's are constantly being replenished to be certain we can meet your cash needs.

If you'd like to make a donation we are supporting donations to CUAID.coop, the donations will be used to assist credit unions and members affected by Hurricane Irma. Just click the link or make a donation at any of our branches.

Thank you for your patience and for allowing us to serve you.

Pete Giorgianni
President/CEO

CUAID.Coop

To make a donation click the link below or stop by any branch location.
