### **Solaris Healthcare Plant City**

provides quality short-term rehabilitation and long-term care to Plant City and the surrounding areas. Our consistent history of high-performance standards, expert staff, state-of-the-art equipment, and upscale environment make us the premiere choice for rehabilitation in

Hillsborough County. Our dedicated, skilled nursing team includes nurses and certified nursing assistants who provide advanced wound care, respiratory services, IV antibiotic therapy, medication management, and diabetic management & education. Dedicated to enhancing your quality of life in a safe, caring, and comfortable environment, Solaris' experienced team of doctors, nurses, and therapists, works with you and your family to design a personalized wellness plan that ensures you reach your highest potential. You can feel confident that our therapists will utilize the most current techniques and methodologies available to help you in your recovery. While we are proud to provide skilled nursing and rehabilitation services in our skilled nursing facility, you will discover we offer many options to meet the needs of our geriatric and aging population. Solaris HealthCare Plant City also provides long-term care, respite services, dementia care, palliative care, and hospice services. This allows our patients to transition from one level of care to another without having to change facilities and leave the care team they have grown to trust.

## Membership Matters

---

"I believe you are doing a great job in the Plant City location, all of the tellers are familiar with their members."
